

Mahendra Mali

Tech Architect | IoT & Cybersecurity Specialist | Full-Stack Developer

mahendraplus.github.io mahendrakumargahelot@gmail.com +91 98245 84454

Banaskantha, Gujarat, India

MCA BCA Advanced Diploma in Internet of Things

ABOUT ME

Passionate about cybersecurity, IoT, and web development. Creates reliable, secure systems integrating hardware, firmware, and APIs for real-world applications.

KEY PROJECTS

- AI Home Automation IoT
- Alcohol Detection System Microcontroller
- Angryviewer Tool
- B4Bomber Android
- Fwifi Pentesting
- GitHub Repo Image Generator CLI
- Go Port Proxy Server Go
- Maxfit Android
- MaxQemu Linux
- MAXTER Shell
- Red-byte Pentesting
- UltrasonicDistanceMonitor Electronics
- wifi-rssi-intrusion-guard IoT
- WiFi-Wobble Pentesting
- WordPress-Pentest-Utills Pentesting

EXPERIENCE HIGHLIGHTS

- Web Developer — RDSDE Gujarat, Ministry of Skill Development & Entrepreneurship
 2019–2020
- Developed and maintained responsive websites for RDSDE Gujarat, optimizing usability and performance
 - Digitized workflows and integrated dynamic content management features

EDUCATION

Degree	Institution & Notes	Result / Info
MCA	SPU, Visnagar	77.30% (Sem-2)
BCA	HNGU, Patan	75%
12th Sci	GSEB HSC	51.69%
10th	GSEB SSC	73.33%

CORE SKILLS

- ESP32 Arduino MicroPython
- C++ Python JavaScript
- Networking WiFi-Security Linux
- Shell OpenWrt HTML CSS
- API BLE IoT Telegram
- Android Cybersecurity
- Pentesting

CERTIFICATIONS

- Ethical Hacker Certified
- Google Ads Certified
- Network Security IoT Security
- INSEF Regional Fair
- National Science Day
- Techfest World MUN
- ICON Amalthea 2018

ACHIEVEMENTS

- IoT-based MaxOS powerful pentesting OS on ESP32
- Batteryless wireless car featured by DD News
- Real-time motion alert system with Telegram notifications
- Energy-efficient IoT devices with long battery life
- Custom Linux distribution (MaxOS) for security pros

ADDITIONAL INFO

- Nickname: Max
- Languages: Gujarati, Rajasthani, Hindi, English,
- Hobbies: Ethical Hacking, Coding Challenges, Tech Gadgets, DIY Electronics
